Our vision is to provide an excellent education service so that every child, young person and adult learner in Hackney can fulfil their potential.

"I was brought up in Hackney and seeing the difficulties that some children experience here I wanted to stay after I did my PGCE and remain part of this community. Every day is different, there's so much diversity and the children bring so much to the classroom, it's just fantastic."

"The stereotype of Hackney is that this is a really difficult borough, but when I actually looked at all the schools I saw that they were doing really well. I wanted to work at an outstanding school and that's what Clapton is."
