1 LEARNING TRUST

The Learning Trust is a private not-for-profit company which replaced Hackney LEA in 2002. We have responsibility for running all education services in the Borough including schools, day nurseries, the play service, the adult education service, recruitment, maintenance, coordinating extended hours and school transport. Our vision is to provide an excellent education service so that every child, young person and adult learner in Hackney can fulfil their potential.

5 FIVE REASONS TO SUPPORT LEARNING IN HACKNEY

- Our GCSE results are now above the National Average and 80 per cent of our primary schools were rated "good" or "outstanding" by Ofsted in 2009.
- Our post-16 education is ranked in the top third nationally.
- Our students are rewarded and recognised every year at our unique Trailblazers event and our teachers and support staff are recognised every two years at our unique Educators' Awards event.
- Our adult learning team have helped reskill over 27,000 people since 2004.
- Our staff don't want to work anywhere else (well 97 per cent of them anyway...).

5 REASONS TO LIVE IN HACKNEY

- We're a thriving multicultural community where over 100 different languages are spoken.
- We're 20 minutes from the City or the West End.
- We've got a host of great places to relax - 62 parks, gardens and outdoor spaces, including an Olympic-sized lido.
- We're home to umpteen cafes, restaurants and bars to suit all tastes, from budget to fine dining.
- We're big on entertainment - from indie films and pantomime theatre to art exhibitions and music festivals.

A MESSAGE FROM OUR CHIEF EXECUTIVE

Whatever stage you're at in your career, the opportunities offered by our schools and The Learning Trust can make a real difference to your professional development.

In Hackney we are dedicated to providing high quality education for all. We have enjoyed some remarkable changes in the last few years and our schools are among the most improved in the country. We have worked hard to raise the aspirations of all learners in Hackney, who come from a wide range of diverse communities - all of which adds to our sense of purpose and the success our service enjoys.

Yes, there are challenges here, but we overcome them by providing our schools, children's centres and adult learning providers with expert support services. The Learning Trust provides the education service in Hackney on behalf of the council and we have been recognised as providing a 'Good' education service by the Comprehensive Area Assessment.

We continue to build on our improvements, in partnership with the council, through investment in our primary schools, our academies programme and the Building Schools for the Future programme for our secondary and special schools. These will ensure that we provide the best possible environment in which to

teach and learn. It is our duty to ensure that education supports all children, young people and adult learners to overcome any difficulties or disadvantages so they can achieve their full potential.

It's what we call Success in the Making.

If that's something you want to be part of, then we want to talk to you.

Alan Wood
Chief Executive, The Learning Trust
